

Call for Participation

We invite you to join us in **11th International Conference on Artificial Intelligence & Applications (ARIA 2024)**.

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of ARIA 2024 includes:

- 11th International Conference on Computer Science and Engineering (CSEN 2024)
- 10th International Conference of Control Theory and Computer Modelling (CTCM 2024)
- 10th International Conference on Signal Processing and Pattern Recognition (SIPR 2024)
- 10th International Conference of Networks, Communications, Wireless and Mobile Computing (NCWC 2024)
- 5th International Conference on Big Data, IOT and Blockchain (BIBC 2024)
- 5th International Conference on Education and Integrating Technology (EDTECH 2024)
- 5th International Conference on Data Science and Machine Learning (DSML 2024)
- 13th International Conference on Natural Language Processing (NLP 2024)
- 10th International Conference on Software Engineering and Applications (SOFEA 2024)
